How You Pay for Your Ad:

A 30-day notice is required to cancel.** You do not need a PayPal account to purchase an ad with us.

What You Will Need for Your Ad:

1. **Your ad.** Your ad must be sent to us ready to post. We provide "how to" instructions [here](#). This is how we keep our ad costs so low. If you would like help in creating your ad, we can do this for you too by clicking [here](#). If you commit to staying with us for 12 months, we'll create the ad for you at no cost.
2. **50-word description.** This is the information we will include in your listing. We will also include event descriptions when posting events to our calendar.
3. **Contact person and information.** We will work with one person through this process, so be sure to have that person's email address and phone number readily available. Why? Remember the old adage "too many cooks spoil the broth"? We find that's true with posting an ad, too.
4. **Comments.** Do you have additional info you want to include, such as "this event is reserved for folks 21 and older"? Please include it.
